

Albums and Books

Flush Mount Albums... are available in a wide variety of sizes and cover materials, with optional Gold, Silver, or Embossed imprinting on the cover. Full Wrap Photo Covers are also available with Lustre, Metallic or Canvas Surface, and Satin or Glossy Laminate. Choose from Round or Square page corners. Album lies flat when open. Base prices are for 10 pages (20 sides).

Flush Mount albums are either designed using **Pre-set Templates** (a very cost-effective way to ensure an excellent design and better control over the content of your album) or may be **Custom Designed** by Chadwick Creative Arts. Custom designed albums are more expensive, but offer greater variety and customization.

Creating Your Album

If you are using Pre-Set Templates, Chadwick Creative Arts will work with you to help come up with the best combination to showcase your wedding photographs. You will select your favorite images, indicate which templates are to be used and which images will go in them. A draft of your album will be created, and you will see your album prior to printing! For Pre-Set Template albums you may make up to three revisions at no additional cost.

If you are having an album Custom Designed, Chadwick Creative Arts will work with you to create the album concept, including the selection of photographs, text, and fonts to be used, as well as any additional graphic elements to be incorporated into the album. You will see an online draft of the album, and may make up to three revisions at no additional cost.

Press Print Photo Paper Albums... Softbound and Hardbound Press Print Photo Paper Albums provide an efficient and economical alternative to heavy Flush Mount Albums without sacrificing image quality. Unlike Flush Mount Albums, Softbound Albums do not have boards between the pages, making them lighter and able to accommodate more spreads in a single book. Pages are precisely cut at the fold and hinged together using tear proof material, resulting in a perfectly flat spread that can withstand wear. Choose from a wide selection of sizes in square, horizontal, and vertical formats, with optional full-wrap, laminated dust jackets. Prices listed below are for Indigo Print Photo Softcover or Metallic Photo Softcover albums with standard paper pages.

Base album price includes up to 20 pages (40 sides) which is twice the number of pages included with flush mount albums.
